Dear Sir/Madam:

This response is filed subsequent to an Office Action, under *Ex parte Quayle*, mailed September 12, 2002, in the above-captioned application. This response is timely mailed on or before November 12, 2002. Submitted herein are amendments to the specification concerning certain informalities in the above-captioned application, primarily with respect to the insertion of a sequence identifier. Also submitted herewith are a sequence listing in computer-readable form and paper copy, transmittal of formal drawings, and a Petition to Accept Color Photographs as Drawings, along with the requisite petition fee. In connection with the above-captioned application, the Examiner is respectfully requested to enter and consider the following amendments and remarks.
